

Emerald Isle (A Stacy Justice Mystery Book 4)

Stacy Justice may be a witch, but she still wants a nice, normal twenty-ninth birthday. Unfortunately, Stacy rarely gets normal. As her grandmother, Birdie, plans a birthday ritual for Stacy, disastrous news derails the celebration: the magic cauldron that supplies the world's food has disappeared. And the last time it vanished, Ireland fell under the Great Famine. A secret society known as The Council decrees that if Stacy finds the cauldron, she'll receive the coveted role of Seeker of Justice, and her mother will finally be freed from prison in Ireland. But the grandson of nasty council member Tallulah challenges Stacy for the role. If he finds the cauldron first, Stacy will never see her mother again. And if they both fail, the world will suffer an unimaginable fate. The fourth book in the enchanted Stacy Justice series, Emerald Isle follows Stacy's journey to Ireland and to a mysterious, magical world. But can the reluctant witch complete her international, intergenerational quest in time to save her mother and the whole planet?
