

Endangered Species Part 2: A Sleeping Dogs Thriller (Endangered Species: A Sleeping Dogs Novel)

PART 2 (a novella that is part of the complete novel Endangered Species) Brendan Whelan and the Sleeping Dogs are back in this latest politically incorrect thriller, a follow up to the international bestselling Sleeping Dogs: The Awakening. This is PART TWO of the second book in the Sleeping Dogs series. Global chaos expands: from Russian aggression to worldwide jihadism, from China's intention to make Southeast Asia its personal domain to a morally and financially bankrupt European Union, from violent and expanding drug cartels to Iranian nuclear designs. The puppet master behind the turmoil, the Alliance for Geopolitical Unity, is close to achieving its goal of a one-world government ruled by an international cartel of financiers. With America's elected government gridlocked and ineffective, a shadow government, the Society of Adam Smith, is working desperately to stop the AGU. The key to their success is the world's deadliest hunter-killer special ops unit the Sleeping Dogs. In PART TWO, keeping the six Sleeping Dogs alive is challenging. There is an outstanding Presidential Decision Directive that ordered the men to be terminated with extreme prejudice. An angry FBI agent, believing his wife had an affair with the unit's leader Brendan Whelan, is pursuing Whelan with homicide on his mind. A rogue Russian agent seeks revenge against the leaders of SAS for thwarting his assignment to assassinate the president of the United States. And, most chillingly, a huge and mysterious brute named Maksym is systematically hunting down the Dogs individually. The fate of the free world hangs in the balance. There will be blood. Lots of blood. Join the 1,000s of readers who love techno-political thrillers and who are fans of those remarkable antiheroes, the Sleeping Dogs! If you enjoy mystery/espionage/political thrillers by such best-selling writers as Brad Thor, Lee
