

Endangered Species Part 1: A Sleeping Dogs Thriller (Endangered Species: A Sleeping Dogs Novel)

PART 1 Brendan Whelan and the Sleeping Dogs are back in this latest politically incorrect thriller, a follow up to the international bestselling Sleeping Dogs: The Awakening. America is a rudderless ship in a world descending into chaos. Its elected government is gridlocked and ineffective. Rogue governments spit on Old Glory and defy a weakened America to stop them. Religious fanatics are dedicated to butchering all the worlds citizens who dont convert to their beliefs. And the worst is yet to come. From Russian aggression to worldwide jihadism, from Chinas designs on Southeast Asia to a morally and financially bankrupt European Union, from violent and expanding drug cartels to Iranian nuclear intentions, the Alliance for Global Unity is close to achieving its goala single world government with them ruling it. But appearances can be deceiving. A shadow government of old fashioned patriots is working to change the course of events. Armed with deep financial resources and critical positions in the military and intelligence communities, they just might succeed. The key is the worlds deadliest hunter-killer special ops unitthe Sleeping Dogs. But their survival is challenging. An outstanding Presidential Decision Directive has ordered them to be terminated with extreme prejudice. An angry FBI agent, believing his wife had an affair with the units leader Brendan Whelan, is pursuing him with homicide on his mind. A rogue Russian agent seeks revenge for thwarting his mission to assassinate the president of the United States. And, most chillingly, a huge and mysterious brute named Maksym is systematically hunting down the Dogs one-by-one. The fate of the free world hangs in the balance. There will be blood. And a high body count. This is PART ONE of the second book in the Sleeping Dogs series of Politically Incorrect Thrillers. Join the 1,000s of readers who
