Three women from different generations struggle to understand the nature of love and family and the complexities of life's choices...Dani (Present day)The clues to understanding her future lie hidden in the past. Solving a 130-year old mystery may be the only way to understand her life and save her crumbling marriage.Maggie (Present day)Maggie wants to complete the historical account of her Irish ancestors arrival in North Idaho. But there's a piece of family drama missing that she can't figure out on her own. A tragedy she can't explain.Mariah (1884)Her head filled with gold dust dreams, Mariah heads west in search of her fortune in North Idaho's gold rush. Entangled in the lives of two men, neither exactly whom they appear to be, she makes a choice that will echo through to the present.>>>Historical Fiction--Western>>>Family Drama ebook>>>Contemporary Womens Fiction>>>Western Historical Romance
