

Essential Cosmic Perspective Plus MasteringAstronomy with eText, The -- Access Card Package (7th Edition) (Bennett Science & Math Titles)

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE For Introductory Astronomy Courses The Essential Cosmic Perspective, Seventh Edition gives non-science majors a streamlined, cutting edge introduction to astronomy built on a strong tradition of effective pedagogy and coverage. Focus on skill building includes new group work exercises that require active participation, helping you to retain concepts longer and build communication skills. MasteringAstronomy works with the text to create a learning program that enables you to learn interactively both in and out of the classroom. This text is a brief version of the authors The Cosmic Perspective Plus MasteringAstronomy. This program will provide a better learning experience for you. Here's how: Personalize learning with MasteringAstronomy: MasteringAstronomy provides you with

engaging and interactive experiences that coach you through introductory astronomy with specific wrong-answer feedback, hints, and a wide variety of educationally effective content. Gain a modern understanding of astronomy with the latest content: Since the previous edition, new discoveries about Exoplanets, planetary formation, dark matter, and the early universe have had a significant impact on our understanding of astronomy. The Seventh Edition incorporates this new content to give you a modern presentation of the science. Learn effectively: Better understand astronomy with a clear and continually reinforced learning path from chapter opening to end of chapter using dynamic learning tools in the text and in MasteringAstronomy. 0321927842 / 9780321927842 The Essential Cosmic Perspective Plus MasteringAstronomy with eText -- Access Card Package Package consists of: 0321765184 / 9780321765185 SkyGazer 5.0 Student Access Code Card (Integrated component) 0321928083 / 9780321928085 Essential Cosmic Perspective, The 0321928377 / 9780321928375 MasteringAstronomy with Pearson eText -- ValuePack Access Card -- for The Essential Cosmic Perspective
