

Crooked Tree

An intelligent horror story with skin-crawling entertainment. Crooked Tree is one of the rare books that uses Indian lore with intelligence and respect. The result is an unusual thriller whose supernatural roots are native witchcraft and the werewolf-like concept of the Grizzly Woman.---Denver PostAn intense, meticulously researched thriller that handles Native American beliefs with both suspense and dignity.---New York TimesIt makes your hair stand on end. A cross between Jaws and The Exorcist.---Liz Smith, New York NewsdayCrooked Tree is a story of considerable suspense and plentiful action. The author does a professional job of building a suspension bridge for disbelief.---Boston GlobeCrooked Tree is flat-out terrific. Well-crafted with lush descriptions of Michigans north country, this book will send chills down your spine as it builds suspense upon suspense.---Detroit Free PressCrooked Tree is a well-conceived thriller, intelligently crafted. It was a book that I could not put down.---James Kirkwood, playwright, A Chorus Line
