

## Exit the Milkman: A Professor Peter Shandy Mystery (The Peter Shandy Mysteries Book 10)

When the dullest man in town goes missing, and Professor Peter Shandy must figure out where to look. Although he towers over his neighbors, Jim Feldster is otherwise unremarkable, except for his mastery of cow milking and his membership in every lodge, rotary club, and brotherhood that Balaclava County has to offer. And anyone who's met his wife, Mirelle, a vicious gossip with a hysterical streak, can understand why he never misses a meeting. But one night their neighbors, the sleuthing academics Peter and Helen Shandy, wake at 2:47 a.m. to the sound of Mirelle screaming. Jim hasn't come home, and she will lose her mind if he isn't found quickly. None of Jim's lodge brothers know where to find him, and Peter's investigation turns up few clues. But when a mystery author comes to town and Mirelle is found murdered, Peter begins to wonder if the master milker is less wholesome than he appears.
