

Eyes of Elisha MM

The murder was ugly. The killer was sure no one saw him. Someone did. In a horrifying vision, Chelsea Adams has relived the victims last moments. But who will believe her? Certainly not the police, who must rely on hard evidence. Nor her husband, who barely tolerates Chelseas newfound Christian faith. Besides, hes about to hire the man who Chelsea is certain is the killer to be a vice president in his company. Torn between what she knows and the burden of proof, Chelsea must follow Gods leading and trust him for protection. Meanwhile, the murderer is at liberty. And hes not about to take Chelseas involvement lying down.
