

Unbearable (The Port Fare Series) (Volume 3)

Booker Gatto is done. Done with women, his old life, all of it. Only the love of his friends in Port Fare keeps him going as he leaves the MET in exchange for the quiet life his new law practice will provide. Tess Selleck, once as ambitious and determined as she is smart and beautiful, had to leave everything and everyone she loves in San Diego to escape the man who destroyed her dreams and now wants her dead. Together Booker and Tess find love when they least expect it, until their pasts drive them apart. Is there a happily ever after for these damaged lovers? Or is the thought of loving and trusting again simply Unbearable?
