Five years have passed since Angie Favorites mother, Laura, disappeared without a trace, and Angie still hasn't recovered. Sure, things look normal on the surface - she goes to school, works hard on the kids. She can't be with them all the time, though, and so Angie is alone when she's snatched from a strip mall parking lot by Scott Bittner. Angie narrowly escapes, and Bittner is arrested, but he takes his life in jail before he can offer an explanation for his crime. When his mother makes contact, begging forgiveness on her son's behalf, Angie agrees to meet with her in hopes of finding some sense of foreboding... Part thriller, part coming-of-age tale, Favorite is an engrossing young adult novel in which nothing - and no one - is as it seems.
