

Sartoris (Spanish Edition)

El inicio de la saga sobre el condado de Yoknapatawpha, Mississippi esta en esta novela. Despues de una lucha de dos anos con su editor, William Faulkner toma su primera cima. Ano 29. Muy seguido, El ruido y la furia. De cima en cima. Asi pasa los anos 30, con un monton de grandes novelas. Los Sartoris tienen mucha historia en el condado. Es lioso, porque todos los varones, en la familia, se llaman Bayard o John.
