

## Women Ive Known: New and Selected Stories

Johnsons fiction is regional writing at its best, Southern fiction that focuses especially on Atlanta and the New South. These twenty-four stories, seven new and the rest selected from Johnsons previous four collections, range from *The Metamorphosis*, in which a young female impersonator is torn to pieces by her fans, to *Last Encounter with the Enemy*, a battle of wills between Flannery OConnor and a precocious eleven-year-old boy. Other women writers from the past encountered here are Virginia Woolf, Sylvia Plath, and Emily Dickinson. Stories from the new collection have been included in *The O. Henry Prize Stories*, *New Stories from the South: The Years Best*, and the PEN Syndicated Fiction Project.
