

Flesh & Blood (Short Fiction Collection Vol. 3)

Since the dawn of time, man has told stories about fear. The dark fiction genre is filled with spine tingling tales of bloodsucking vampires, flesh-eating zombies, and other ghastly creatures that mercilessly stalk the night. THE FLESH WILL ROT AND THE BLOOD WILL FLOW... Now collected together for the first time ever, acclaimed horror and fantasy author Gord Rollo shares his own nightmare visions about the terrible things waiting for us in the dark. Within this volume you'll find stories about love lost and sweet revenge, self-mutilation and agonizing death, and the savage beasts and hungry mindless creatures that prowl the shadows in search of human blood... Flesh & Blood features the following short stories: -- On Fine Feathered Wings -- Darkness Comprehended (Co-written with Harry Shannon) -- A Simple Matter of Ethics -- Friends of a Forgotten Man -- Young Love -- A Typical Night in the Wilds -- Every Magician Has to Start Somewhere -- Lord Rat (Co-written with Gene O'Neill) -- Fifty Shades of Crimson -- Unplugged
