

## The Trinity

As Jacob uncovers the mystery of Stephens past, he realizes his mentor was embroiled in a plot far more sacrilegious than he originally thought. The scheme of his mentors death pulls him deeper into the church, bringing him closer to the elusive figure at the head of the Trinity. But once Jacob realizes his role in the Orders machinations, it is too late for him to disentangle his truth from its heresy. A sacrilegious Order, a murdered priest, and a vault of secrets converge to make up The Trinity.
