

For Mercies Sake: an inspirational womens fiction novella

A victim of rape, sixteen year old Scottlyn Rich is disowned by her family when she refuses to abort the child she carries. Determined to raise her baby, she has no idea how to handle the obstacles ahead, she only knows that giving her daughter, Mercie, a chance to live is the most important thing shell ever do. Widowed school teacher Diana Kensington lost everything she held dear the day her husbands plane fell out of the sky. Four hundred and thirty nine days later she still has no answer to her daily prayer. What now, God? Can trust be built between these two lost women? Can they work together to fill the void in each others lives, for Mercie s sake?
