

Footprints in the Sand LP: A Piper Donovan Mystery (Piper Donovan/Wedding Cake Mysteries)

It's the dead of winter and struggling actress and wedding-cake decorator Piper Donovan is thrilled to be in sunny Sarasota, Florida. She and her family are there to celebrate her cousins wedding. Not only is Piper creating the wedding cake, she's also the maid of honor. But a cloud hovers over the affair. Shortly after a bridesmaid disappears, a neighbor's car is run off the road and a prospective witness, an innocent Amish teenager, is threatened. Then a body is found and it falls to Piper to unmask a killer. Could it be the wedding planner with something to hide? A doctor and his wife who collect unusual Japanese figurines? The best man, an ex-drug dealer with lecherous eyes and roving hands? Or even the bride-groom himself? As Piper gets close to figuring out who's been covering his guilty footprints in the sand, the cunning killer has already set his sights on Piper as his next victim!
