

## The Weedless Widow (The Antique Lovers Mystery Series Book 2)

Jeff Talbot is joining his fishing buddies for their annual trip. He is also trying to coordinate the listing and transportation of his latest haul of antiques. When he arrives at the Northwest Territory Bait and Tackle shop for supplies, he joins his fishing friend, the Judge. Together they find their friend and shop owner, Bill Rhodes murdered. Throughout the fishing trip weekend, Jeff finds himself assisting the local sheriff's department in the investigation. While helping the local law enforcement, Jeff forwards pertinent data to his home computer. When he returns home from his fishing trip, he finds Sheila, his agoraphobic wife, missing. Using former FBI resources, friends and Seattle's police, the search for Sheila Talbot begins. As Jeff searches, he finds her disappearance clearly linked to the murder.
