

## Entanglement: A Johnny Denovo Mystery (The Johnny Denovo Mysteries Book 3)

Whats the End Game? When neuroscientist John A. Navarro was separated from his past and given a new identity as Johnny Denovo, his abilities quickly sent a chill through the world of high-stakes criminals. And while they try to escape, he keeps picking apart their primal signals the metaphors that betray them. In this, his third published case, Johnny must face a vestige of yesteryear. A former colleague needs his help a powerful weapon has left the lab, and one person is already dead. But who is calling the shots? What are they really after? And why has Johnnys most trusted ally vanished? Can he unravel the clues before his nemesis triumphs? Or will he be the next victim of a weapon that leaves no trace? Praise for the First Two Mysteries for SPAM & EGGS: ... a masterpiece of deductive challenge, engrossing reading, and engaging entertainment. ReaderViews.com for THE GREEN MONSTER: ... an absorbing mystery that is chock full of twisting plots and tantalizing clues... . A mystery which is too intricate to be solved by reading the first few pages... . amazing. The Urbane Dame
