

A Nasty Bastards Collection: Volume 2. Contains Extreme Horror, Gore and Sex.

This is a collection of stories from the Black Cover Range. Included in this collection: Home-Video, Dont Read, Fun and Games and My Family. With the exception of Fun and Games, all titles are also available as standalone books. This collection has been put together to save you - the reader - money. Home-Video: Imagine the scene. You receive a DVD in the post. You do not know who it is from. You put it into your player and settle down to see what it is about. Your partner is in the shot. Theyre tied to what appears to be a dentist chair in the middle of an abandoned looking warehouse. They look scared. They tell you they love you and the screen goes dark. The words appear stating that you can report your partner as missing and her captors will kill her immediately but her suffering is over... Or... Each day you will receive a new DVD of what theyre doing to her right up until the day they release her..... Put them out of their misery and live with the grief and knowledge it was your decision if help cant reach them before theyre killed or wait and see what shows up in the post, hopeful that theyll get bored and release them back to your loving arms? From Matt Shaw (Sick B*stards) and Michael Bray (Whisper), the authors behind MONSTER and ART, comes a new horror to push your boundaries of comfort... Dont Read: The story of a new breed of serial killer - a stranger who travels the country kidnapping his victims before torturing them and discarding them in a field, dressed up as scarecrows. Each and every sordid act is scrawled within the pages of the monsters own personal horror book; a book with two words written upon the front... DONT READ. Fun and Games: Bonus Short story My Family: Would you give up your child if a stranger asked? No? What if they offered money? Still no? What if they threatened the rest of your family? Give your child up or lose your

entire family in the most horrific way possible. What would you do? How would you protect those that you love and at what price?
