

## Fresh-air Fiend: Travel Writings, 1985-2000

Whether visiting the King of the Lozis at a bend in the Zambezi river or crossing the United States in a railway car of unsurpassable luxury, relating his experiments with biblical dieting, or detailing the illnesses and diseases suffered in half a lifetime of travel, Paul Theroux, the fresh-air fiend himself, is always an entertaining and honest guide. Full of startling encounters and memorable scenes, fascinating and sometimes bizarre locations, and enlightening musings on themes as various as sexual attraction and the point of travel writing itself, this extensive collection of his shorter pieces is a rich and remarkable book from a superb writer.
