

## Game Management

With this book, published more than a half-century ago, Aldo Leopold created the discipline of wildlife management. Although A Sand Country Almanac is doubtless Leopold's most popular book, Game Management may well be his most important. In this book he revolutionized the field of conservation.

**Game Management Georgia DNR - Wildlife Resources Division Game Management: Aldo Leopold: 9780299107741:** WMI has worked to advance wildlife science since 1911.
