

## Heaven Can Be Hell

REVISED EDITION: 9/9/13: Elsa Morgan had a life most people would envy. She had two great loves in her life, had two beautiful children, and she died peacefully in her sleep at the age of 58. She was thankful for her life and the blessings bestowed upon her...Until she arrived in Heaven, finding both her loves waiting none too patiently for her, and both men eager to renew their lives together. No, physical pain doesn't exist in Heaven, but Elsa's heart can still break. Who will she choose, husband number one, or husband number two?
