

More Than A Friend Request

Sometimes there is no escaping the past. Hannah Jones is a relatively happy woman doing a job she loves, counseling high school students, owning her own place and working with her best friend. She seems to have everything she ever wanted. The only problem is she still wants the one who got away. Adam Cooper. The love of Hannah's life and the man who broke her heart. She hasn't heard from him in fifteen years and suddenly there he is asking her to be his friend on a social network. Faced with a choice, Hannah must decide if she should open herself to potential heartbreak once again and accept him, or hit decline and run as fast as she can. Adam Cooper walked away from the one he loved fifteen years ago. But the passing time has done little to make him forget the sexy woman with wild hair and big brown eyes. Not a single day has gone by that he hasn't thought about Hannah and wished she were back in his arms. Now, his little sister has convinced him to make an account on a social site and he can't help but search for the woman who has invaded his dreams for more than a decade. He has the perfect job and the perfect family. There's only one thing or person missing and he's finally ready to get her back. But first, Hannah must be willing to accept his request. From the author of the Double Threat Series and Against the Wall comes a story of just how far you are willing to go to accept the past and move on to the future.
