

Betrayed: A Ghost Story: Bed, Breakfast, and Betrayal series

A short ghost story / mystery in the Bed, Breakfast, and Betrayal series by Lisa Carlisle. Once thinking it was a curse, Sybil Channing now uses her gift to communicate with spirits as a lucrative way to make a living. She dubs herself a ghost whisperer and plays up her role as an eccentric woman who can talk to the dead. When she receives a call from a bed and breakfast with an issue with a ghost, Sybil thinks it will just be another easy, nice-paying gig. Sure, there's a bit of a mystery about women becoming ill, but nothing to scare her off. Yet when she arrives, what she encounters is far more dangerous than she anticipated.
