

Ghoul Enforcer: Revenir Book 4

Ghoul Enforcer. Cool nickname. But the job forces seventeen year old Caitlin to make life and death decisions. As the vampire queens intern, shes faced do-or-die predicaments. Starting college should bring some normalcy, but ghouls are sprouting up everywhere and shes expected to resolve them. The Revenir realignment has shifted across the Atlantic and Cait is heaved, tied and hooded, into the middle of the battling European clans. If the factions dont kill her, her queen may, for interfering in her war plans.
