

Everything To Lose: The chase is on... (Gavin Shawlens Thriller #2)

University researchers claigate the claim. The product is stolen, top athletes disappear, and the research team are unaware that their product has a dangerous side effect. Gavin must stop the product launch before more people die horribly. When Gavin disappears, Zoe Tampsin, from the Lambeth Group, must find him before he becomes the next victim. As if Zoe hasnt got enough on her plate. Past events in Gavins life catch up with him. A powerful US general has decided that Gavin must die to prevent exposure of a 60-year-old secret capable of world-changing and power-shifting events. The chase is on
