

Seven

A choice collection of seven short stories by one of America's foremost storytellers and the author of the best-selling Travis McGee series. Featuring Dear Old Friend, The Annex, Quarrel, Double Hannenframis, The Random Noise of Love, The Willow Pool and Woodchuck, this collection displays MacDonald at his classic best. Starring a cast of immoral broads, hedonistic thrill-seekers, naive victims and profligate playboys, these seven short stories showcase the writing that propelled John D. MacDonald to success.
