

Greetings: & Other Stories

You're about to face off with an Ashcroft van, break out from an assisted-dying facility, witness a volunteer crucifixion, endure a Neanderthal eviction, and journey to the end of time on a porch glider. Each of these ten blazingly satiric short stories will leave you exhausted, outraged, and eager for the next ride. Often compared to Neil Gaiman, Jonathan Lethem, and James Morrow, Terry Bisson spins out radically irreverent tales.
