Now, here is the complete book of Dangerously Moving On...SHE'S READY TO MOVE ON FROM HEART BREAK AT LAST BUT DANGER LURKS IN THE CORNER! It has been three years since Portias fiance died in a fatal accident. She has never taken off her engagement ring since then but one day, she just knew that she has to finally decide to move on. She is sure its what Gideon would want her to do. So she starts going out again. And in a club with her girlfriends, she meets someone she used to date the endearingly shy and hunky FBI agent, Brock. She has the feeling this is her second chance at love and perhaps, happiness. But her hopes seems futile. Because when she is ready to move on, danger makes itself known. It begins with hate mails. Until the stalker gets to her skin and its machinations have become too dangerous to ignore. With her relationship with Brock getting serious as the days pass by, does she really have another shot for love? Or will danger catch up with her first before she finds out? EXCERPT THIS LOOKS amazing, said Brock when she placed the plate on the table. Shed brought out strawberry and blackberry jams, yoghurt, and a jar frozen blueberries that shed microwaved and sprinkled with just a touch of sugar. Hopefully this will make up for

your night on the couch, she said, licking a bit of sugar from her lips. That couch is surprisingly comfortable, he said. Plus I've got some really great memories built up there already. Portia blushed at the remark, remembering their fumbling escapades from the previous weekend. She could tell that he'd become concerned that he'd said something to make her uncomfortable, so she smiled at him and said, I guess we should move on to someplace else next time, huh? Brock stuffed a large piece of rolled up crepe with blueberries and yoghurt into his mouth and grinned at her. So there's going to be a next time? he asked when he'd finished chewing. It might have been a response to the emotional highs and lows of the last twenty-four hours, or it might have been the way he looked sitting there with his disheveled hair and un-tucked shirt, but Portia felt desire for him suddenly overwhelm her. She pushed her chair back and went to him, lifting a leg over his to straddle him. She pulled her shirt over her head, revealing her completely naked body to him, and she leaned forward...
