

Cant Love What I Dont Trust 2

Just when Cassandra thought perhaps she was getting her life on track, shes faced with an unwanted pregnancy, by a man she doesnt love and who doesnt love her back. It seems history is repeating itself for Marco as well - a second woman pregnant from a one night stand? He wants to do the right thing but Cassandra refuses to be just his obligation. Shed been there, done that and didnt want a repeat. Besides, there was still Damian. And then when doubt creeps in - trust is on the line. Is the baby even his?
