

Hide and Seek Sydney

Hide and Seek Melbourne appeared on the Sydney Morning Herald's list of Top 10 travel publications for several weeks. And now Explore Australia has followed up with a second guidebook in this series. Hide and Seek Sydney is a funky and compact guide to the city's hidden treasures. From restaurants and shops to bars and galleries, the book features 40 secret and intriguing places that you won't find in any regular Sydney travel guide. And none of these places will burn a hole in your wallet. Written by a team of in-the-know Sydneysiders, each of the 40 selected places features over a double-page spread with a review, images and a handy locator map. Blank pages at the back of the book allow readers to record their own secret Sydney discoveries as they explore this wonderful city. Four main themes: Hit the Streets (places to see/things to do) Treasure Trove (shopping) Feeling Peckish? (food) Night Owl (bars, clubs and live music venues)
