

Hobo

Playmates were far and few for ten-year old Joby Richards in the late 1800s, so when a feral dog, Hobo, shows up, Joby is determined to make friends. But the arrival of a mysterious stranger puts both the boy and dog at great risk. Did Hobo sense the dark secret the stranger harbored? The sound of gunshots strikes terror in the heart of Joby's Mother. Were they for her son?
