

## The Holiday Inn

The holidays are far from magical when your relationship is on the rocks. But with a seductive setting and some Christmas spirit, three couples have a chance to rekindle the spark of romance. *A Change of Heart*, Farrah Rochon: A husband and wife come to the Inn to say one last good-bye before giving up on their marriage, but when a snowstorm leaves them stranded, the romantic surroundings reignite their banked desire. *Can You Believe*, Stefanie Worth: When a visit from the Spirit of Christmas gives newlyweds a glimpse into a future without each other, can a trip to the Holiday Inn persuade them to make a passionate new beginning? *By New Years Day*, Phyllis Bourne Williams: A desperate husband whisks his reluctant wife off on a romantic vacation to the Holiday Inn, where he plans to renew her passion with a sexy New Years kiss.
