

## Hope in a Jar: A Novel

...as slick and enjoyable as a brand-new tube of lip gloss.--People From the New York Times bestselling author of Shoe Addicts Anonymous and Secrets of a Shoe Addict comes a tale of old friends, new loves, and the undeniable power of a little face cream. Twenty years ago, Allie Denty was the pretty one and her best friend, Olivia Pelham, was the smart one. Throughout high school, they were inseparable ... until a vicious rumor about Olivia---a rumor too close to the truth---ended their friendship. Now, on the eve of their twentieth high school reunion, Allie finds herself suddenly single, a little chubby, and feeling old. Olivia, successful beauty editor in New York, realizes shes lonely, and that shes finally ready to face her demons. Sometimes hope lives in the future; sometimes it comes from the past; and sometimes, when every stupid thing goes wrong, it comes from a prettily packaged jar filled with scented cream and promises. Beth Harbison has done it again. A hilarious and touching novel about friendship, Loves Baby Soft perfume, Watermelon Lip Smackers, bad run-ins with Sun-In, and the healing power of Gee Your Hair Smells Terrific. Hope in a jar: We all need it.
