

Hot Words for the SAT (Barrons Hot Words for the SAT)

Updated and expanded to reflect the vocabulary and format of the current SATs Critical Reading section, Hot Words for the SAT presents and defines more than 365 words that frequently appear on SAT exams. The book is divided into 35 lessons, each consisting of dozens of illustrative sentences and a thematic word cluster. Each cluster contains words having similar meanings or words that apply to similar circumstances. Also included are new pronunciation keys for each word, memory tips, expanded review exercises following every five lessons, and an alphabetical word index. College-bound students who successfully complete the books exercises and master these words will expand their lifelong vocabulary and improve their chance for acceptance at the school of their choice.
