

Hunted (The Profiler)

Terror stalks a small Virginia town. FBI rising star, criminal profiler Evelyn Baine, knows how to think like a serial killer. But she's never chased anyone like the Bakersville Burier, who hunts young women and displays them, half-buried, deep in the woods. As the body count climbs, Evelyn's relentless pursuit of the killer puts her career and her life at risk. And the evil lurking in the Burier's mind may be more than even she can unravel. Terror is closer than she thinks. The Bakersville Burier knows he's got an FBI profiler on his trail. He knows who she is and where to find her. And he's biding his time, because he's planned a special punishment for Evelyn. She may have tracked other killers, but he vows to make this her last chase. This time it's her turn to be hunted!
