

I Am Not a Serial Killer

John Wayne Cleaver is dangerous, and he knows it. Obsessed with serial killers, he never wants to be one. Yet terrible impulses constantly tempt him. Having grown up helping his mom at the family mortuary, dead bodies are no big deal to John. He likes them, actually. They don't ask for the empathy he's unable to offer. Perhaps that's what gives him the clarity to recognize that something is frighteningly different about the freshest body on the slab. For the first time, John must confront a danger outside his own mind, a threat he cannot control, a menace to everything and everyone he would love, if only he could. Dan Wells's debut will keep you awake and then haunt your dreams.
