

## If Wishes Were Horses

Sarah Wylde did not move from Chicago to a small town to get involved with a man. Particularly one like Justin Herne, a man too damn mesmerizing and dynamic to be in a rural town like Lilesville. To make matters worse, Herne runs a sex shop in the unincorporated limits of Lilesville, and Sarah is Lilesville's new police chief. She doesn't care that the locals call it a women's sensuality shop or that Herne is considered a respectable citizen. She's keeping her eye on him. The only problem is, Justin is more than happy to stay within viewing distance. When a ritual murder draws them together on a case, she finds that maintaining a professional distance isn't going to be an option.
