

## The Dirty Duck: A Richard Jury Mystery, Book 4

The Dirty Duck is a pub in Shakespeares beloved Stratford, and in this pub Miss Gwendolyn Bracegirdle of Sarasota, Florida, fresh from a performance of As You Like It, takes her last drink. A few minutes later she is slashed ear to ear, the only clue: two lines from an unknown poem printed across a theater program. The razor-happy murderer, it seems is stalking a group of rich American tourists. And Scotland Yard Superintendent Richard Jury, just passing through Stratford for a glimpse of the intriguing Lady Kennington, instead takes a crash course in the bloodier side of Elizabethan verse.
