

Twisted Fate

Prepare for thrills and chills as three acclaimed authors unite in *Twisted Fate*, a spine-tingling collection of stories. Hunted by Traci Hunter Abramson The cabin in the woods holds horrifying secrets, and young Reagan has simply seen too much. She knows her abusive stepfather will stop at nothing to silence her and quickly realizes that escape into the murky forest is her only hope of survival ... But who will believe her unbelievable tales? The Death House by Gregg Luke Even those who know its real name call it the Death House. But the abandoned mansion, site of a grisly murder a century ago, beckons Adam. And when the force of his obsession drives him to embark on a late night investigation of the property, he is horrified by what he discovers. Something deadly lurks inside, and nobody in its path is safe. Haunting Reminders by Stephanie Black Returning to her small hometown in Massachusetts, Jamie has had years to get over her broken engagement. But when her former fiance and his wife become the victims of a vicious stalker, all eyes turn to Jamie. When childish pranks escalate into a horrifying display of maliciousness, Jamie is desperate to clear her name even as the attention of the perpetrator turns toward her.
