

Scholar Gispies

I FEEL that in some way I ought to apologize for the braggart tone of the title, as if in this little book one were to set himself to unfold a whole philosophy. The papers are scarce worthy of it a few pictures of character and nature, pieces of sentiment torn from their setting, a fragment of criticism, some moralisings of little worth the baggage of a vagrant in letters and life. A more miscellaneous equipment than ever was Don Quixotes, or that which girt the great Sir Hudibras. Yet there are one or two threads of connection, I fancy, to be discerned in the tangled web.
