

## In Spirit

The human spirit can achieve remarkable things when challenged. Whether its conquering Everest or swimming the Channel we all need support and encouragement to carry us across our own personal finishing line. Mine came through an astonishing friendship that I found whilst training for the London Marathon. Archie carried me across my own finishing line with his unfailing support even when his own race had sadly ended! Perhaps some things are just easier to accept than to explain dear Archie! Join me: dim the lights, stoke the fire, and watch the shadows dance as you prepare for the human spirit to carry you across the finishing line.
