

In the Shadow of Young Girls in Flower

When published, *Within a Budding Grove* was awarded the Prix Goncourt, bringing the author immediate fame. In this second volume of *In Search of Lost Time*, the narrator turns from the childhood reminiscences of *Swanns Way* to memories of his adolescence. Having gradually become indifferent to *Swanns* daughter Gilberte, the narrator visits the seaside resort of Balbec with his grandmother and meets a new object of attention *Albertine*, a girl with brilliant, laughing eyes and plump, matt cheeks. Includes illustrations.
