

Deadly Provocation: A Year of Domestic Surveillance

Where obsessive power meets paranoia. Issues of data mining and surveillance come to a rolling boil for Jake Conley. The power of surveillance runs amok in this gripping thriller about paranoia, privilege and prying. *Deadly Provocation: A Year of Domestic Surveillance* is the debut novel from author T.F. Coleman, whose expertise in computer programming, data mining and data warehousing inform this compelling tale of intrigue. When Jake Conley thwarts a deranged gunman at an L.A. theater, he finds himself thrust into the spotlight. Drawn by his sudden fame, a private surveillance consulting company recruits him as a public relations asset and field consultant to advise in the field of data mining, hidden cameras and drones. Jake is immersed in a world of intrigue, power and paranoia ... and romance. But all is not as it seems. Jake finds himself wrapped up with the beautiful Medalia Mendoza, daughter of one of the company's biggest investors, and a woman whose mother went missing five years ago. Questions swirl about the company's integrity and Conley's own role in it, until he is faced with life-and-death decisions that affect everyone involved.
