

Icon

Hollywood superstar Max Conroy is A-list all the way one of the few actors who can guarantee box office blockbusters on opening weekend. Max has it all: the devil-may-care charisma, the stunning movie star wife, and a sizable personal fortune that grows along with his legend. When Max escapes from a y outsmarts them; he evens the score. Little does he know that a far more dangerous and merciless enemy is coming for him. But this time, he has an ally in the smart and beautiful sheriff's deputy Tess McCrae. For years, Max drifted through an easy superstar life, untethered and without purpose. But as he fights for his life, something turns inside him. He's ready to live again on his own terms. He will destroy those who'd rather see him die like an icon than live like a man.

Font Awesome Icons ICON - Software Services, Web Development & Digital Marketing Define icon: computers : a small picture on a computer screen that represents a program or function icon in a sentence. **HawkID Login for ICON - University of Iowa** ICON is a global provider of outsourced development services to the pharmaceutical, biotechnology and medical device industries. **Images for Icon** HawkID Login for ICON.
