

It Had to Be Him (An It Had to Be Novel)

Even though Meg Andersons hell-raising days are over, coming home to Anderson Butte isnt easy, especially when her impossible-to-please dad is the mayor and her do-gooder siblings run the place. But with another job lost and the gorgeous father of her daughter trying to make contact after disappearing three years ago, a break is definitely in order. Hopefully the little town filled with big, juicy secrets can help. After being off the grid for years, Josh Granger, a man with his own secrets, wants Meg and his daughter back. But first he has to get past townspeople as protective as a pack of rottweilers. Hes not the man Meg thinks he is, but he cant tell her why not yet. As Meg slowly warms to Josh, its clear the old spark is still there. But when his secret is exposed along with Megs own shocking revelation will it tear their family apart again, or bind them forever?
