

Blood of a Serial Killer (Murder in the Genes) (Volume 2)

The bloodline continues...BLOOD OF A SERIAL KILLER by Jams N. Roses Its only natural for Benny Jones to want to know more about the father he never met. Hes turning eighteen and his doting mother, Eve, can no longer put off answering his questions with the excuse that he is too young to understand. Discovering whose genes he carries, Benny grasps why he has behaved the way he has in recent times and is intrigued to learn more about the darker side of his family. He has many questions, and his grandmother Lily Green, once known as the notorious killer The Phantom, lives on in a mental hospital not far from home and she could supply the answers. The corpses pile up as Benny discovers his purpose in life...
