

Flawless 3: The Finale

Lord, protect me from my friends because I can handle my enemies. Romeo had high hopes of flourishing from his illegal but prosperous business...He never bargained for falling in love unexpectedly along the way. Shayla was everything he was not; the total opposite of hard-edged and callous. And while Romeo was the bad boy her mama had warned her about, she still loved him despite his many flaws. All odds were stacked against them, especially considering their blatant differences. With vengeful exes still in the picture and enemies from the past lurking in the shadows, can this unlikely couple overcome the obstacles they're faced with...or will they ultimately crash and burn? Desmond just wants to be happy with the woman of his dreams, but his baby mama Dana is not having it. There is no limit to the things she'll do to wedge him and Kimberlyn apart. If dealing with Desmond's crazy ex isn't enough, Kim really has her hands full when a former finance pop-up appears out of the blue. Follow these couples' journey as they take you on an emotional rollercoaster in the final installment of Flawless.
