

I.O.U: A Jenny Cain Mystery (Jenny Cain Series)

(6 Audio Cassettes) Following the funeral, sometime sleuth Jenny Cain feels she owes it to her mothers memory and her own understanding to investigate the events that preceded her mothers mental collapse and her familys financial collapse. As all of us detective story listeners know, digging into the past can be dangerous, and so it proves for Jenny, who is nearly murdered twice. Reader Pamela Nyberg sounds like Jenny should; the cranky, impatient tone of her voice is just right. She portrays the personalities of the many townsfolk of Port Frederick, Massachusetts, well, but the New England twang proves a bit of a challenge. This listening experience wont cause you to drive off the road with excitement; but it is affecting, and Nybergs Jenny is a character youll come to care about. D.L.G. (c)AudioFile, Portland, Maine
