

Jigs & Reels: Stories

Each of the twenty-two tales in this enchanting collection is a surprise and a delight, melding the poignant and the possible with the outrageous, the magical, and, sometimes, the eerily haunting. Wolf men, dolphin women, defiant old ladies, and middle-aged manufacturers of erotic leatherwear -- in *Jigs & Reels* the miraculous goes hand in hand with the mundane, the sour with the sweet, and the beautiful, the grotesque, the seductive, and the disturbing are never more than one step away. Whether she's exploring the myth of beauty, the pain of infidelity, or the wonder of late-life romance, Joanne Harris once again proves herself a master of the storytellers trade.

In her foreword, Harris muses on how delightful it is to find short stories back in vogue. Her anthology should help keep them in style. *JIGS & REELS* begins with **Jigs & Reels - Joanne Harris - Google Books** Now the bestselling author of *Holy Fools* and *Chocolat* widens her horizons with *Jigs & Reels* -- her first ever collection of short stories.
